CLUB NOTES

SAD DAY FOR US AT SOUTHAMPTON

The past fortnight has brought satisfaction and disappointment in that a good win against Bury at Deepdale was cancelled out by a most unfortunate defeat at Southampton in a game of seven goals. Our recent games at the Dell have been worth watching. Last season we lost there by 1-3 and the previous year won by 5-4.

An overdue success in the League at Bury's expense ended a Second Division run of three defeats and three draws, our hard-earned victory being a welcome change for the better. It did something towards restoring confidence and provided pleasing entertainment, even though North End made hard work of it.

Dominating the first half North End played well and spiritedly to gain a two goals lead through Godfrey and Kendall, but squandered the fruits of their initiative by slackening off and allowing Griffin to rub one off the arrears just before half time. The second half developed into a keen struggle for mastery.

Although not blending with quite the same cohesion as earlier, North End pressed hard and actually created more and better scoring chances than in the first half. Alert goalkeeping and some careless and impetuous finishing denied the side any further success. Finally a strong rally by Bury came near to equalising.

Two points from this game made our total one per match after playing 18, a satisfactory but not particularly exciting position, although it has been recalled that in mid-November 15 years ago we were in exactly the same situation but transformed that point-a-game record into a promotion run by winning 17 and drawing three of the next 20 matches, thereby setting up a club record.

CLUB NOTES—*continued*

Defeat at Southampton was an early jar for sanguine hopes of anything like a repetition of that great feat, which began with 14 successive League wins by a team unchanged in 10 positions for four and a half months. It will be remembered that last season our record was a point a game after 24, 27 and 30 games.

Obviously, equality of games and points will not get us where we desire to be, yet anyone who travelled to Southampton must have felt we played well enough to have done much better than lose 5-2. It was a sad story for North End of lapses in both penalty areas. Southampton's early opening goal was virtually a gift.

The second was not much better, a centre which was not properly cleared going in off the scorer's shoulder. Meantime North End's good approach play had made chances which went to waste, two or three good ones being missed, and it was galling for Lawton when given offside after beating two opponents and netting.

Southampton made their interval lead 4-0 with two well taken goals from good shots, but even then North End were not downhearted, however dismayed they might have felt. For at least 35 minutes of this half we were in Southampton's half, but had to be content with goals by Hannigan and Dawson in the closing stages. There was still a chance of a draw, but a late Southampton goal settled it.

Many supporters have expressed sympathy with Alan Spavin, following the motor car crash in which he received head and chest injuries last Thursday week. As a result he missed the Southampton game and will miss a few more. It was especially regrettable because he had been doing quite well in his new position of right half. Alan is making satisfactory progress and everyone wishes him well.

THE LANGUAGE OF FOOTBALL

The language of football is universal. For many people that universal language is English. In these days, however, this is something of a fallacy. Have you stopped to realise that if Scotland are beaten by Italy in Naples on Tuesday next, December 7th, the final 16 in the World Cup Competition in England in July next will contain only one English-speaking nation.

Such is the way that soccer progress has crept up on an almost unsuspecting world in the period following the end of the Second World War that the qualification of North Korea, even to a public accustomed to surprises, came as something of a shock.

Russian, Hungarian, Italian, French, Spanish and Portuguese are languages which will be heard every day next July in the group areas staging matches in the World Cup Final Series. Perhaps then, and only then, will English supporters who have come to regard football as England's game appreciate the truly global aspect of what started in England from such small beginnings.

Belgium or Bulgaria, and Italy or Scotland have to join West Germany, France, Portugal, Switzerland, Hungary, the Soviet Union, Spain, England, Uruguay, Chile, Argentina, Brazil, Mexico and North Korea to make up the final Series contingent. But in addition to their own followers, they will have spectators from something like another 100 countries watching their every move. No sport can be more universal than that.

OUR VISITORS—*Derby County*

Our attractive and very welcome visitors have ties with North End going back to football's early days, our first meeting being as long ago as 1888, in the League's inaugural season. Preston won by 3-2 at Derby, and completed a double with a 5-0 home win. Derby lost their next five games at Deepdale by 0-5, 0-6, 0-3, 0-1, 0-1.

Thus they had to wait until November 17th, 1894, before scoring their first goal on this ground, but were beaten again by 3-2. Of the first 11 League games with Derby, North End won 10 and lost one, but results in the succeeding years were more even and marked by keen rivalry. Three games are particularly remembered.

The first two were in the last season before World War I. Both teams had been relegated together and fought neck and neck to gain promotion at the first attempt.

In this aim they were successful, but Derby won at Deepdale by 3-1 shortly before Christmas, 1914, and in the last match of the season prevailed at home by 2-0, thus making sure of the championship. Preston finished runners-up with 50 points to Derby's 53, both well ahead of other contenders.

Then there was that terrific thriller of December, 1947, at Deepdale. Derby, a powerful side that season, finishing fourth in the League, soon got a good lead through Angus Morrison's enterprising leadership, but North End fought back magnificently to take complete command and run out winners by 7-4. We were two goals down in seven minutes, four times in arrears and level (3-3) at half time.

The Rams had not been beaten for 10 games. To settle any arguments here is the North End team, with scorers in parenthesis : Gooch; Gray, Robertson; Shankly, (2-1 pen.), Williams, Horton; Finney, Beattie (1), Willie McIntosh (2), McLaren (2) and Anders. Although Tom Finney did not score he played a great game.

OUR VISITORS—*Continued*

Founded in 1884 as a winter section of the County Cricket Club, Derby have never been higher than runners up in Division One (a feat achieved three times), but they have reason to be proud of an outstanding F.A. Cup record, having appeared in the Final four times, winning the trophy in 1946.

Derby are in their ninth season of a fifth spell of Second Division football, covering 22 of their 67 seasons in the Football League as founder-members. For as many as 43 seasons they were a First Division team, starting with 19 seasons, and retaining unbroken membership from 1926 to 1953, a period of 20 seasons.

Falling on lean times, they then had two years in Division II and in 1955 made acquaintance with Division III (Northern Section) for the first time. They were in two seasons and proved themselves in a false position by topping a century of goals and reaching 63 points in each campaign. Grimsby went up with 68 points, Derby being runners up, but a year later promotion was achieved.

DERBY COUNTY PLAYERS

Reg. Matthews (*Goalkeeper*). Started with the club of his native Coventry on leaving school. Capped five times before being transferred at a big fee to Chelsea. His next move was to Derby in October, 1961. Seldom out of the first team.

Ron Webster (*Right back*). A promising local product who has had some unlucky breaks with injuries but was ever-present last season. Born at Belper, near Derby.

Peter Daniel (*Left back*). A young player who has come to the fore this season. Born at Stanley.

Philip Waller (*Right half*). Joined Derby straight from school and has come into League football this season. Hails from Leeds.

Bob Saxton (*Centre half*). Another promising member of the younger school. Born at Balby, near Doncaster and was recruited from Denaby. Made League debut last term.

Frank Upton (*Left half*). An experienced player in his second spell with Derby who first signed him from Northampton in June, 1954. Seven years later he was transferred to Chelsea but returned in September this year. Born Atherstone.

Gordon Hughes (*Outside right*). Like Howard Kendall, belongs to Washington, Co. Durham. Joined Newcastle United from Washington Juniors in 1956, thence to Derby. Sturdily-built raider who missed only one League match last season.

Eddie Thomas (*Inside right*). Native of Newton-le-Willows, and well known in these parts through his Everton and Blackburn Rovers associations. Signed in August, 1964 from Swansea Town. Scored 22 goals in 38 League games last season. Top scorer.

Ian Buxton (*Centre forward*). Locally-born (Cromford) and developed from junior ranks into dangerous leader who makes openings for his inside partners. Scored 10 himself in 40 games. Plays cricket for Derbyshire.

Alan Durban (*Inside left*). Born Port Talbot, and played for Cardiff City, where he became a professional. Last season scored 21 goals in 42 League matches.

Billy Hodgson (*Outside left*). Put in long service with St. Johnstone, Sheffield United and Leicester. Joined Derby last June. A native of Glasgow.

John Richardson (*Substitute*). Born Worksop and went on the Derby staff from school. Promising defender who made nine League appearances last season.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.
